8:30 0 9:30 am *Opening Assembly – Synergy in Motion*

9:30 – 11:30 am *Presenting Synergy Alberta*

Throughout the day there will be opportunities to interact with conference participants while reviewing and fine tuning the proposed structure of the provincial support system Synergy Alberta. Five dedicated teams of volunteers have worked for several months to take the mandate given from the past conferences and create the support system for Synergy Alberta.

Each team will present information on how Synergy Alberta will be structured, what it will look like, and how it can be used. After each short presentation, participants will join in a round table discussion to help fine tune the final product to ensure it is a success.
