REVIEW OF AGENDA – Rick Anderson reviewed the agenda. Approved by consensus.

PREVIOUS MEETING NOTES- June 5/2014 – approved.

### FOLLOW UP:

Open house summary – This was reviewed. Items to be considered for next open house are:

- more opportunity for questions
- improve structure for bringing back on topic and yet allowing for personal expression
- break topic down further from broad topic.

Summary will be attached to the meeting notes.

Draft Terms of Reference – This was presented to the group and was taken from the previous presentation and a few suggestions made:

- wording on the budget approval
- adding “mail where necessary” to distribution of the minutes
- activity updates to be added to the website following the meeting but minutes not posted until approved.
- date of invoicing of companies

New draft will be attached to the minute notes.

Financials – Bank balance Aug. 15 at \$8105.75. There are a couple of bills outstanding. Gibson’s are not participating. Discussion on which companies to pursue who are in area and not participating.

## PRESENTATION /DISCUSSION

Play-Based Regulation Pilot Project – Behn Morris and Tina Hronek of the Alberta Energy Regulator presented a power point presentation on the pilot project taking place in Fox Creek. If successful, may broaden to other areas of the province.
