

Wapiti Area 
Synergy Partnership
Grande Prairie Region AB

SYNERGY – THE LAST RESORT

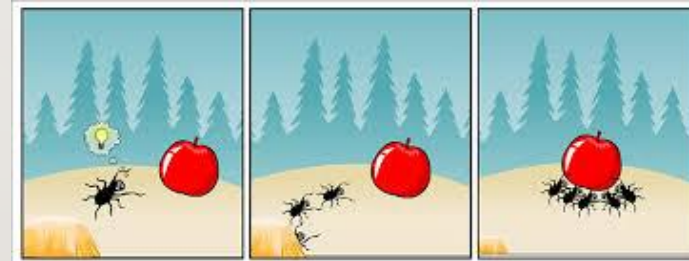

WHY SYNERGY?

- Frustration
- Desperation
- Lack of energy literacy
- Feeling alone
- Industrial invasion

WHO HELPED?

- AER
- County of Grande Prairie
- Local oil & gas companies
- Synergy Alberta
- Community Champions

HOW DID IT COME TOGETHER?

- Planning
- Meetings
- Community Information Nights
- Community surveys
- Timing

Wapiti Area Synergy Partnership
 • Multi stakeholder group comprised of landowners, local elected officials, the Alberta Energy Regulator and representatives from area oil and gas companies and service providers.
 • Meets monthly on the 2nd Tuesday of every month at Helen E. Taylor school starting at 7:00pm.
 • Meet the oil and gas company representatives who have operations in your community and learn more about their proposed activities.
 • Other valuable resources such as the Alberta Energy Regulator, Farmers Advocate, National Energy Board and the Surface Rights Board provide presentations and information throughout the year.

Welcome to the Wapiti Area Synergy Partnership.
 WASP was formed to help bring together area landowners, residents and industry with interest or concerns with industrial and energy development in the Wapiti area.

Mission
 To facilitate communication and cooperation amongst petroleum industry partners, regulators and community members regarding energy development in the area.

Vision
 Foster proactive and collaborative approach amongst stakeholders in energy development while protecting the environment.

Information about the oil and gas industry in your community

Community Information Night
 The Wapiti Area Synergy Partnership (WASP) is a multi-stakeholder group comprised of landowners, local elected officials, the Alberta Energy Regulator and representatives from area oil and gas companies and service providers.

Come join us for an informative evening with presentations from the Alberta Energy Regulator, the National Energy Board and the Pembina Institute.

This event is **free** to attend, with the purpose of informing the community about important aspects of the oil and gas industry.

WHEN: Tuesday February 13 2018
TIME: Doors open 5:30pm, Supper 6:00pm, Presentations 7:00pm – 9:00pm
WHERE: Wembley Recreation Centre Meeting Room

Wapiti Area Synergy Partnership
 Grande Prairie Region AB

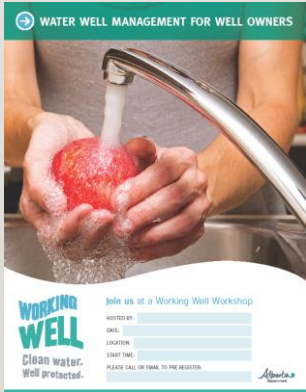

Welcome to the Wapiti Area Synergy Partnership. This group was formed to help bring together area landowners and residents and industry who may have concerns over industrial and energy development in the Wapiti area.

Mission
 To facilitate communication and cooperation amongst petroleum industry partners, regulators and community members regarding energy development in the area.

Vision
 Foster proactive and collaborative approach amongst stakeholders in energy development while protecting the environment.
